Sub: Quarantine on return to Mumbai

Employees along with their family members who had left Mumbai for native place/official purpose/visit to other places are returning to Mumbai. The matter regarding return of the employees and their family members to Mumbai was discussed with the appropriate authority in BMC, who have stated that the employees and their family members need to be quarantined for a minimum period of seven days from the date of their return to Mumbai.

The employee can join duty, if he/she does not have any symptoms, after completion of seven days of quarantine or report to their respective dispensary in case one develops symptoms during this period.
